Descripción:

In accordance with Act No. 44 of June 21, 1988, as amended, and Procurement Regulation Number 5853 of Puerto Rico Infrastructure Financing Authority (PRIFA) approved September 9, 1998, the PRIFA's is requesting competitive bids from contractors, for the project referenced above.

The project for the Transitional Center of Services Rosario Bellber in Aibonito is an institution dedicated to serve people with limited physical, mental and emotional capabilities that are in care of by the Department of Health.

All interventions of the existing building are limited within its 8,400 sq./ft. with the redistribution of interior spaces according to the client needs in the program provided, the incorporation of a new kitchen, dining and multiuse room, increase the existing facilities in some 1,200 sq./ft. of construction to better serve its participants. In addition, a new reinforced concrete roof shall be constructed between the existing and new structure to serve as a connector. Also, electrical, plumbing and mechanical improvements shall be made where necessary. Lastly, site improvements on the existing tracks and basketball court shall help improve the recreational areas.
